

e-Tools is pleased to announce the appointment of Mark Kong as its new CEO.

Mark brings a wealth of knowledge to his new role at e-Tools. He started his career at e-Tools Software in sales and business development, and has been a key member of e-Tools' management team for many years. He has in-depth knowledge of Government legislation and first hand understanding of the needs of providers operating in aged care and NDIS.

Mark has a broad set of unique skills that represents the strategic path of e-Tools and we are excited to welcome him to his new role effective immediately.

Please be advised that our offices close from 3 p.m. AEDT on Friday, 20 December 2019. We re-open on Monday, 6 January 2020 to resume full support.

As the year draws to an end, we would like to take the opportunity to thank you for your continuous support and feedback. We wish you a joyful holiday season and a prosperous New Year!

Please don't forget you have access to help articles and resources on the Client Support Portal. Register by requesting your free login via support@e-tools.com.au. For urgent queries over the holiday period please email support@e-tools.com.au.

The festive spirit is in the air and we're extending our end-of-year promotion for eREC software.

* Visit e-tools.com.au for full details on cost, pricing and T&Cs. Promotional prices valid until 31-01-2020.

The e-Tools Price Analysis Tool was updated to capture the latest Department changes to the pricing structure.

The Price Analysis Tool is a purpose designed spreadsheet with customised fields to assist in your price analysis for the 1 July 2019 pricing requirement.

It can be used at any time, and enables you to enter key business drivers specific to your business, alongside data prescribed by the new Government guidelines.

Designed for use by all home care providers, without the need for our software, and with no installation or setup required.

Price Analysis Tool: \$300 + GST
