- Non contact forehead thermometer
- electronic Visitor Management software*
- electronic Visitor tablet application pre-loaded*
- High quality adhesive labels for visitor badges

> FREE LABELS WITH THIS PROMOTION

Contact e-Tools Software now for details.

Plus ask us about how we link eVM to other e-Tools Software applications to help you manage contractor, maintenance and staff records attendance compliance.

* Annual software renewal fee and tablet application management fee apply.

This eVM package promotion is valid until 30 April 2021.

Some of the hardware shown on this flyer is for illustrative purposes. The hardware we supply may differ and is subject to change without notice, however actual specifications will be provided in our demonstration or quote.

Contact us for a free online demonstration & find out how we can support your business.
